OFFICE OF THE EXECUTIVE ENGINEER, SPECIAL DIVISION FOR BELLARY WATER SUPPLY, BELLARY.

Tender Notification dated 26th December 1962.

No. SK/SVC/62-63/4365. Sealed tenders in duplicate for supply of sluice valves and specials as per annexed schedule will be received from the suppliers in the Office of the Executive Engineer, Special Division for Bellary Water Supply, Bellary, up to 4 P.M. on or before 25th January **1963.**

Tender schedule forms can be had from the Office of the Executive Engineer, Special Division for Bellary Water Supply, Bellary on any working day during office hours, on payment of Re. 1 (which is not refundable) between 30th December 1962 to 20th January 1963 only.

CONDITIONS.

1 Tenders should be superscribed as "*Tender for supply of C. I. sluice valves and specials*" and it must be sent in a sealed cover.

2 Each tender must be accompanied by a duplicate treasury challan for Rs. 100 being an earnest money under "Revenue Deposit" or any Government security as contemplated in Mysore Financial Code.

3 Tenderers should quote their rates in ink both in words and figures. For delivery F.O.R. Bellary only. The rates quoted in the tender must remain firm for a period of 30 days from the last date of receipt of tender, for acceptance. The authority competant to accept tenders does not bind himself to accept the lowest or any tenders and reserves right to accept or reject tenders without assigning any reason. The authority competent also reserves the right to place orders for individual items or all items of supply at his discretion.

4 Manufacturers name, their trade mark and brand if any, should be mentioned and detailed specifications, illustrative, drawings and literature giving technical particulars, etc., should be attached to the tenders to facilitate consideration of offer.

5 Offers from ready stock and supply at F.O.R. Bellary will be preferred. Offers requiring import licence will not be considered.

6 Should an order be placed as a result of the tender, it should be definitely understood that the materials should confirm to the specification. Materials supplied which are not confirming to the specification given in the order, will be required to be replaced by the supplier by correct ones without any extra cost to Government.

7 The materials should be supplied within 45 days at Bellary from the date of order and it is up to the supplier to adopt any means to deliver the materials within the stipulated period at Bellary. Reasons that materials are despatched to destination by railway or delivery is delayed due to booking restrictions, etc., will not be considered.

8 The numbers of valves and specials given in the schedule are subject to increase or decrease at the time of placing orders at the discretion of the purchaser.

9 Successful tenderers will have to execute a necessary agreement bond in form P.W.G. 32 within 10 days from the date of receipt of intimation of acceptance of their tenders, after paying necessary security deposit at 5 per cent of the total cost, failing which the tenders will be cancelled and earnest money will be forfeited to Government.

10 If any tenderer withdraws from his tender before the period fixed for acceptance, the earnest money deposited by him, will be forfeited to Government.

11 Failure to make supply whether of a portion of that material or the entire quantity as per the items of order or non-performance or non-supply in time or regularly or supplying materials which do not confirm to the specification, quality prescribed or the sample approved or which is found defective in any other way or for breach of any other condition stipulated will ential enforcement of one or more of the following :—

(i) Cancellation of the indent or order in part or whole.

(ii) Imposition of penalty at the rate specified in the order or if no such rates are specified, at a sum not exceeding 3 per cent of the value of the order at the discretion of the Department.

(iii) Forfeiture or adjustment of earnest money or/ and security deposit involved or to the extent necessary or considered fit by the Department.

(iv) Recovery of extra cost if any incurred by the Department in securing the materials from other sources by adjustments from money due to the defaulter or otherwise.

12 Whatever may be the condition of sale specified or indicated in the tender quotation, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Department or indenting Department.

13 Suppliers are requested to see that sluice valves are tested to the specified heads to the satisfaction of the Department, if desired by the Department before the valves are installed. All the materials supplied shall be guaranteed for satisfactory working for a minimum period of one year from the date of supply. Any defects shown within this period of guarantee, due to bad quality of materials or workmanship either in manufacture or during transit or erection shall be replaced by the supplier free of cost such replacement being arranged for by the supplier as expeditiously as may be directed by the Engineer-in-charge.

14 Taxes, if any, payable should be quoted separately and clearly.

15 No enhancement of prices will be allowed after the acceptance of the tender.

16 Test certificate for satisfactory Hydraulic test of the valves and guarantee certificate for the period noted in clause (13) should accompany the supply of the materials.

17 Intending tenderers should strictly note that the materials should be supplied at Bellary within the stipulated period.

H. S. L. MURTHY,
Executive Engineer.
